

YOUR EXPERT ON  
PROCESSING VEGETABLES

With this letter we are pleased to introduce **Finis Foodprocessing Equipment B.V. and Eillert B.V.** as our new partners specialised in process solutions, ranging from stand alone machines to complete production lines, for the international vegetables and fruit industry.

Effective September 1, 2016 we will start our co-operation with these experienced partners specialised in

- Peeling machines
- Cutting machines
- Dicing and slicing machinery
- Salad processing

Finis & Eillert is run by Ton van Raaij, the 3th generation of decision makers of a well-known and reputable family owned company in the food processing business. Since 2010 Ton van Raaij's both sons has joined the company. We are convinced that Finis fits our company well. Both family-owned companies, seeking for long-term relationships with customers, with expertise built up over 4 generations.
